

Award of Excellence to the Town's Safety Committee from the Volusia / Flagler Sunshine Safety Council

This award is presented to one agency per year based upon documentation of an active safety committee involvement in the day-today safety & health activities of the organization.

Members of this board:

- Peg Hunt, Chair, Administrative Specialist, Public Works Division of Development Services Department
- Penny Currie, Vice-Chair, Emergency Communications Supervisor, Police Department
- Jeff Miller, Secretary, Maintenance Technician II, Public Works Division of Development Services Department
- Kim Cherbano, Human Resources Technician, Administrative Services Department
- Jeaneen Clauss, Assistant Town Manager / Deputy Clerk, Administrative Services Department
- Ami Pierce, Administrative Assistant, Building / Code Division of Development Services Department
- Jeni Trepasso, Administrative Assistant, Fire Department

Ponce Inlet's Safety Committee stood out amongst its peers as being very productive. Major accomplishments include:

- Preparing a safety policy for general employees and for those of each individual department. This policy was implemented for the Town and is now used by Brown & Brown as a model for other municipalities.
- Reviewing safety procedures of each department and making recommendations which have been implemented.
- Recommending AEDs for all town buildings. This was implemented in FY 07/08.
- Organizing training for all general employees in the AED, CPR, and first aid. This training was provided by the Town's fire department.
